but this with a democratic election in Malta as in Malta we have a system dominated by two main political parties: the Nationalists (EPP) and the Labour Party (S&D) that control all the Media and the Electoral Commission, the Malta Broadcasting Authority, the National TV station PBS and they have their own TV stations, Radio station, newspapers and small parties like Alleanza Liberali - Malta Liberal Party - www.malta-liberals.org and www.john-zammit.eu are not given Media coverage and boycotted. There has to be fair elections not like in Malta.
